Portable USB Audio Player PRO with MP3 Codec.I wasn't entirely sure whether I should expect to see a September 17th release or not, but it looks like Super-Fly has issued the first press release for their upcoming massive, and very much long-awaited return. The Texas based act, who were on the 2006 edition of the Warped Tour, have announced that they'll be releasing their new album, Dying to Live, on September 17th via Fearless Records/Demon Music Group and that they'll be touring with FALLING IN REVERSE and PRONG. The album was recorded at Sound City Studios in Texas with producer Kyle Black. Dying to Live will be the first release since their hiatus in 2007 and the first album since the band's split from Drive-Thru Records in the 90's. Here's the full track listing: 01. Rev the Dead 02. Dying to Live 03. Heartaches 04. Never Over 05. Obliterated 06. Run for the Border 07
