Thousands of feet above the Lands Between, the moving world is moving at a blistering speed, and lightning is enveloping the landscape. Mica, a young man with a lowly birth, was seeking a battle worthy of his strength. With an evil, a plan was born. He gathered the strength he had long possessed and departed to the northern region of the Lands Between. Mica, a young man with a lowly birth, was seeking a battle worthy of his strength. The Lands Between The Lands Between are an indistinct frontier between the lands of light and darkness. Beyond this frontier lies the world of the gods, where vampires and angels ply their trade. Known only as a "lands between", it is a place of silence and solitude, a cold and treeless place where only the strong survive.
