Elden Ring

In an attempt to fight the Elder Dragons that they consider "worthless"—Laddar was born; a man with determination, strength, and pride. However, he lacked any real power to keep the Elder Dragons at bay, and the result was a subservient Laddar, who would do anything for a stronger god. Eventually, in a mutual battle of wills, the Elder God who created Laddar found out he was a coward at heart and killed him. Afterward, Laddar received his death sentence and was exiled to the Lands Between, a world of lightless pillars and fragile creatures. Video CONTENT RATING: All Ages (more information) Description Through this fantasy RPG game, create a character from scratch and join the battle with the Elder God who was the creator of the character! However, Tarnished will not be able to leave the island he's been stranded on for a year. He can enjoy a new life, living with Eredin as he becomes the new Elden Lord, even if he will have to constantly live in constant fear of the Elder God and Laddar's cruel machinations. There are also simple quests in the game that you can take on with the help of Eredin. When you enter the world of the Elden Ring, you will be faced with new mysteries and fascinating characters.
