This is my first review for Jiaan, so I won't go into too much detail about the review, I'm only going to go into how I felt about the game. **Story/Plot:** This game has the most beautiful character designs I've ever seen in a game. From all the characters, I think the MC (Main Character) Tarnished is my favorite. The battle animations were stunning, with all the stylish effects coming up at just the right times. bff6bb2d33
