1. Background setting The Lands Between is an endless and boundless world. Amidst these hills, fields, and wastelands lie countless people, ready to offer you support. With the recovery of power after being tainted by a curse, there are various races in the Lands Between, some who were once feared and taunted as evil while others, innocents who had befriended adventurers and lived in fear of them, had turned to the opposite side. Therefore, it is not uncommon to meet a brave warrior who is equipped with a sharp weapon and asks for your help while a noble knight who flaunts his swords and armor waits for you at the tayern. Or perhaps, you meet a warrior who has been living his life in an entirely different way, letting his weapons and armor deteriorate and a holy maiden who daily hymn to the Goddess to protect the town. Regardless of the situation, you must create a hero who is worthy of such a world. 2. Character Creation You will rise as a hero through the creation of your character. The various weapons and armor that you can equip will allow you to freely customize your character's appearance. The most important point in character creation is your character's Weapon Type, which determines whether you are a pure swordsman, archer, or a priest. By growing your character's muscle and magic power, you can create your character the way you want, so it's worth giving it some thought. You can see the preview of characters in the Rhea Online Shop. 3. Dynamic Action Combat An action-RPG of intense dynamism where you freely build your own battles. Threedimensional battling where movements and attacks are fully applied to turn the battlefront into a battlefield that requires you to continuously change your strategy. The class skills will be fully utilized and the Battle Technique in your own class will be automatically built up. However, the high skills of your class will remain, regardless of what techniques you build. Through skillfully combining the abilities of your various classes, you must survive the continuous battle. There are many battles that you will receive from the beginning of the game, allowing you to keep even if you are to do battle without saving. 4. Various World Exploration An adventure where continuous exploration. A world where you can freely explore and learn from other people's experiences. There

Features Key:

World: A vast world that allows you to freely move among diverse lands and dungeons.

①TorrentFreak - 9.6 out of 10 - "What an experience! The indie hits are coming in and being well met on steam." @PC Game Guide - "A very enjoyable, slick-looking, role-playing RPG. A must buy for all RPG fans." ①Up! - 9.0 out of 10 - "My god, it is so beautiful, though it is a simple game, the graphics are truly incredible, reminiscent of Nioh, perfect for an action RPG." @Android Headlines - 5 out of 5 - "A wonderful action RPG" ①Jayisgames - 7 out of 10 - "Beautiful visuals that fit the theme perfectly, it's a truly unique and well-made RPG." 148 Apps - 8.9 out of 10 - "Relic Hunter's biggest and best story yet" Yogscast - 9.0 out of 10 -"Very nice story and art style. The gameplay is also original and fun" Aesthetics: The design of the game focuses on the implementation of the fantasy world. The game is written in a sense of originality, but when you look at the World of Tarnis, it has an elegant feel. The sky and fog gradually appear, the atmosphere is usually peaceful, and it is not strange to see animals and plants as well as dragons and elves. The story: For the first time, it is also the first time that the story focuses on the Lands Between, which is not the main area of the game. The game mainly focuses on the story of Lord of Tarnis, not the story of the World of Tarnis. Plot: The plot of the game starts with the statement that the world will experience a disaster, the Master of Calamities appears, and the Lords of the Elden Ring is in danger. The story starts with Lord Domim, the strongest Lord of the Ring, and goes through Zade. When it comes to the direction of the World of Tarnis, there is no vivid storyline, but the story of the World of Tarnis is a bff6bb2d33

World Postpartum fertility: a major factor in the Russian population Владимир Потерка The vast country of Russia is the sixth largest in the world. It is predicted to have the largest population in the world by 2050. At present, the number of people in the population is declining, the largest fall is in the number of women of childbearing age. In 1980, Russia had 67 women per 100 men of the same age, in 2015, it was 47, this is a fall of 23.1%. But if we leave out the age group of men over the age of 40, and women over the age of 35, the data will look much better. In 1980, men over 40 and women over 35 were 26.7 and 26.8 per 100 respectively, in 2015, the rate was 20.7 and 19.1 per 100.
