The continued competitive evolution of FIFA Ultimate Team (FUT) brings more game depth and surprises to the popular mode and makes winning matches more intense than ever. Now, when you go to edit your squad or create a new one, you'll notice that there is a new tab in the Create Club screen called "My Club". This is where all the action takes place. Now you can view your active squad, as well as all of the player cards you own. You can further delve into the squad by creating and editing individual cards in FUT. Not only can you design the cards you want, but also personalize the appearance of your squad members. The cards include the unique Theme cards and Mini-Leagues. The cards and cards play can be customized down to the details, including player names, numbers, visual appearances, equipment and more. As if that's not enough, buy one, get one free offers for your cards will be available. Play with the intensity of AI Controlled Players - There are 19 new play styles that play differently than any in FIFA 17, including new animations and player movements, creating more realistic and challenging gameplay. This new style of play features an AI controlled MLS player, which will provide more challenging AI controlled matches than ever before. Additionally, the new Manual Defending Control and Hints will make defending a battle of decisions. NEW PLAYER SYNERGY - As many of you know, real soccer players - like Ronaldo, Messi, and Neymar, are human beings, not robots. They're all special - like no one else - with different strengths and weaknesses, and can be used in matchmaking against your Pro-level FIFA Player. The new Player Synergy technology enables an unprecedented level of matchmaking that allows you to face off against more of your favorite athletes. New FIFA Ultimate Soccer Moments - The brand new FIFA Ultimate Soccer Moments mode, which is exclusive to FIFA Ultimate Team, will offer a variety of single-player challenge modes that will allow fans to relive memorable moments and milestones that occur throughout a player's career in Ultimate Team. A Change of Pace - FIFA 22 is designed as a season of change for soccer on console. This year's new stamina system will allow players to play with a more advanced form of soccer, improving touch and reaction times. The move to a new, more responsive engine creates an even more intuitive, natural on-pitch experience. Updated FIFA Ultimate Team -
