It allows administrators to be more targeted with their tickets. Certainly, at the end of the day I am still open to feedback on this approach, and it is by no means my first attempt at problem solving. :) Thanks for the review and for sharing your experiences. I think one of the downsides of becoming too entrenched is that you can have the same problem periodically. ------ smlacy I love how you made an entire site around the problem of reporting an issue to stackoverflow.com. This makes me think you're doing great with the direction of your website. ------ gfodor One issue I have with HN is that it takes about 4 months to go through the past, yet I don't have to pay a monthly fee to use it. It'd be awesome to get notifications for notable comments,
