No any limitations.I found this on deal site a few days ago and was about to buy it but then I heard that this is a Korean made version of Wacom Cintiq Touch. Why it is so different, at least for me, in that it has a different size and color of buttons. I bought a Wacom Intuos Pro (medium) to replace my Intergraph Cintiq 24HD and for two weeks I've been using the new piece of hardware. I love it except that the pressure sensitivity is useless on this device. I have a friend who bought a Wacom Cintiq at Amazon and can't wait to get her hands on it. I'm thinking of recommending her to get a Wac
