In Rise, the boundaries of reality are blurred. In the Lands Between, you can transform reality. Open the gate to the forbidden empire of Elden, and a new world will be born from the power of myth. RISE Elden, the first cradle of humanity, is known as the only land blessed with the power of the gods. And yet, in it, countless humans have waited for the day when they could create a world of their own, and many of them died in vain. You are a Tarnished, a human who has grown weary of following the path laid out for them. The Elden Ring Crack For Windows has been entrusted to you by the will of the gods, and it is to you that they have given their sacred power... KING OF TARNISHED The Tarnished have come together from all over Elden. They are tribes who have lost their way, warriors who wandered from the ancient world, and mages who sought to prevent the gods from passing judgment. Which of these sects has your blood coursing through your veins? Choose one of them, and then engage in battle with other Tarnished—or prepare yourself to see the results in real life. What will become of these battles? Will the strangers you meet on your path return home? CRAFT THE POWER OF THE GODS As your Tarnished grow in strength, you will learn to work magic by its own right. Also, as your skills increase, you will draw the attention of the powerful and mysterious gods who watch over this world. As the god of war, Wara-Blanc, gives his blessing, you will be able to use his powerful weapons in battle. A WORLD SEEDED BY THE GODS Let the world of Tarnished await you in the Lands Between. From the green fields of Normandy to the battles between gods, and from the snowy North Sea to the dark forests of Elden, the Lands Between is a vast world full of excitement. On your journeys through this world, you will discover unknown and overwhelming threats, which will lead to the high sense of accomplishment of defeating them. A sense that will make your blood boil and your blood flow. — Powerful demons, gods of bloodlust, and dark magic will fill the Lands Between! Rise is a Fantasy Action RPG set in the Lands Between. Can you rise as a Tarnished and craft the power of the gods?

In general, an internal combustion engine mounted in a vehicle is operated according to a driving pattern of the vehicle. As such, a type of an engine has a driving pattern based on an operation of the engine in which the operation amount of a throttle valve and a fuel injection amount are gradually increased from zero in a low-load range or a low-speed range (low-speed operation range) in which fuel efficiency is low to a full-load operation range in which an output power and fuel efficiency are high. FIG. 1 shows a driving pattern of an internal combustion engine in accordance with the related art. Referring to FIG. 1, the driving pattern 1 (P1) of an internal combustion engine in accordance with the related art is a driving pattern of an engine in which an operation amount of a throttle valve is gradually increased and a fuel injection amount is gradually decreased in an operation range, in which an operation state of the engine is continuously maintained at a high load operation range. However, when the fuel injection amount is gradually decreased, it is very difficult to reduce a knocking phenomenon. This is because the knocking phenomenon is an abnormal combustion phenomenon in which flame is not continuously generated. For this reason, the fuel injection amount may be excessively decreased in a middle range or the like in order to suppress the knocking. However, fuel efficiency may be reduced. The above information disclosed in this Background section is only for enhancement of understanding of the background of the invention and therefore it may contain information that does not form the prior art that is already known in this country to a person of ordinary skill
