How do you stay motivated/on track? - jhund I have a hard time staying productive. I love to work on boring projects like code, but I feel overwhelmed and just stop doing anything at all. And sometimes I feel like I get into a funk and get stuck working on nothing for weeks at a time. Why do I do that? Is it normal? How do you stay on track? ===== exolymp Realize that the problem is not you. You are awesome. You are awesome because you loved the project. ~~~ jhund I love what I do, and that's why it's hard for me to stay motivated and keep going. I

have a burning desire to accomplish things but it's also getting tiring to always work on something, no matter how boring. Q: HikariPool - Java Virtual Machine Error : jvm.cpp:1289: error: load_class(java.lang.ClassLoaderData): failed to load class... I am using HikariCP for connection pooling in my java application.
