3.85/10 - average rating from 4 ratings Would you like to tell us about a lower price?« Euro Truck Simulator 2 Free Download Euro Truck Simulator 2 is an open world computer simulation game. It works with the idea of driving a truck. You drive a truck on different routes throughout Europe. Along the way you have to stop, and find a position for a trailer on the truck. This can be done in a warehouse or on the side of a road. This is done so you can reach your destination. You can also be hired to deliver a package for different companies. Manual truck driving in Euro Truck Simulator 2 Euro Truck Simulator 2 is a simulation game. You can play it with a keyboard and a mouse or gamepad. You need a PC because this game is a simulation game. It requires a lot of processing power. All the work of the game is done by the graphics card. You need to know how to move, and what positions you can take for your truck. You can position it. You can place the trailer anywhere. The game displays the position of the trailer in yellow. It helps you to follow the map and find where the trucker needs to go. It also displays the speed of the trailer and the truck. The game is easy to use. Euro Truck Simulator 2 types of truck driving In the game there are four types of truck driving. You can drive as a driver, a trucker, a freight truck, or a train. As a driver you run a truck with a trailer on the other end. As a trucker you have a truck without a trailer. You have to use a pick up and drive back and forward with a truck. This works for freight and for passenger. As a train you drive a truck in a train. You have to follow the instructions in the game. Over 1500 hours of driving simulation You are driving a truck in Euro Truck Simulator 2. The idea is to drive on roads all over Europe. You have a truck with a trailer that you need to find positions for. You need to reach your destination. You drive from one city to another, or from one country to another. There are vehicles on the road, trucks and cars. During this driving simulation you can see other trucks and cars. Some trucks are driving at night. Some trucks are driving by people. There is also a truck driving school with simulation elements and famous trucks driving. You
