## **Adobe After Effects CC 2017 V14.2.1.34 Patch (x64) Free Downloadl**

February 20, 2020 - After Effects Bring 2D characters to life by acting out their movements in front of a webcam with Adobe Character Animator CC (Beta). Character Animator is the first software product powered by Adobe Sensei to make AI animated character modeling faster and easier. Now you can transform the movements of ordinary living people into amazing animations in the form of 2D characters. Character Animator allows you to create dynamic and interactive animations using vector points and vector curves to simulate motion.
