Serious Jazz Practice Book Pdf

The Serious Jazz Practice Book book. Read 2 reviews from the world's largest community of readers. All musicians must carefully learn their scales. This is what makes you a good player. You must play scales every day and you must be able to play them quickly. In order to be a good player, you must know the chords on all musical instruments and know how to play your parts, and then you must know how to read them. You need to know who's who on tour and you need to be able to tell when one instrument stops playing and another starts playing. It's all really very simple. It all takes time. dd2bc28256
